And in the book *Kifaayah Sharh ul Hidayah ala Haamish Fath ul Qadeer* in volume 1 on page 200 it says: *"The Quraan's description as being in the previous scriptures does not mean that it was in them with its arrangement, so it became assigned in these scriptures with its meaning. It became established in Persian through means of translation comprising its meaning and thus recitation in Persian became permissible."*

However it is this Qur'aan which was called the Speech of Allaah in the Qur'aan and ahadeeth and this is what is established from the consensus of the Salaf us-Saaliheen.
